PAYROLL OFFICE INFO. -- Open enrollment period for nine-month employees only will begin on August 22nd and will end on September 15th. Please see KEITH in Payroll Office for joining or changing health and dental insurance.

State Auditor's Office no longer issue special checks under \$100 (gross pay) now. Because of the accrual system problem, be careful about using vacation, sick, or personal days in the same pay period as new vacation, sick, or personal days are accrued. For example, you would be expecting to use a new accrued vacation day in the same pay period while the accrual system fails to add this new vacation day; then your paycheck will be one day loss of pay. State Auditor's will not issue a special check for this loss if less than \$100. For further information, please see or call KEITH in Payroll Office. Thank you.
